CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Sri Venkateswara Arts College was established and managed by the religious institution Tirumala Tirupati Devasthanams and affiliated to Sri Venkateswara

University, Tirupati. The College follows the curriculum designed by affiliating university on the guidelines of Andhra Pradesh State Council of Higher Education (AP SHE). Also the college follows the academic schedules circulated by the affiliating University. At the beginning of new academic year, the principal convenes staff council meeting (Comprising of Heads of all departments, Hostel wardens, Coordinators of NSS & NCC, Physical director and Librarian) and discuss about the curricular, Co-curricular, extension activities to be carried out in the academic year. Resolutions were made in this regard and the information is passed on to all the faculty members by the respective heads of the departments. Various college committees are restructured in view of faculty retirement and transfer. The faculty members of each department prepares annual curricular plan and teaching plan. The heads of departments prepare departmental time tables in consultation with their faculty. Work load is allotted to the faculty members and the heads of the departments ensure that the faculty engage classes sincerely. The faculty members make note of their curricular and co-curricular activities in the teaching diary. Syllabus completion is done as per the time schedules. Additional classes are taken wherever necessary. Faculty use ICT enabled teaching methods, Virtual labs are used in courses as per curriculum. Group discussions, student class room seminars are encouraged so that curriculum delivery becomes effective. Continuous internal evaluation is done through periodical assignments and internal exams. Class teachers monitor the performance of their class students. Slow learners are motivated to improve their skills by conducting remedial classes. Feedback is taken from the stake holders at the end of academic year. IQAC analyses and prepares a report on the feedback. Based on this report necessary actions are initiated.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Student Mentoring System in our institution is an important student centric system in which faculty members are nominated as mentors for the period of three years of their (students) study in the college. At the beginning of the first year mentors have to fill the form titled Student profile in which they have to record personal information and

educational details of each student allotted to him. In the second page of the form, mentors have to fill the details of the students, for first, second and third years regarding their attendance, marks and grades, pass percentage and his/her participation in co-curricular and extra-curricular activities. Mentors also record their observation of students' progression in skill development and personal growth. In the meetings held once in a month, Mentors regularly review students attendance and academic performance in the internal and external examinations. Slow learners are recommended for remedial coaching classes and counselling sessions to further enrich their learning experiences. In addition, mentors not only advise students regarding choice of electives, career development and professional guidance but also guide them on behavioral patterns and interpersonal relations. Thus student mentoring system in our college aims at strengthening the dynamics of knowledge acquisition among students through skill development, attitudinal change academic heights, personal growth and professionalism.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

S.V.Arts College is affiliated to Sri Venkateshwara University, Tirupati. It follows the examination pattern strictly in accordance with the rules and

regulations of the university. As per the University guidelines two Internal Examinations for 25 marks will be conducted in each semester and the better of the two will be posted in the university portal. The following is the procedural programming of the Internal Examination System of the institution.

1. Copies of the academic calendar will be distributed to all the stake holders at the beginning of the semester
2. Schedule of the Internal Examination will be sent in circulars for staff and students and will be pasted on the Notice Board.
3. Internal Examination dates will be fixed in the Staff Council meeting
4. Conduct of the internal examinations as per the time table on given dates
5. Monitoring of attendance of the students for the internal examinations
6. Valuation of answer scripts to be completed before the deadlines.
7. Upload of assessment marks in the University web portal within the stipulated time.

Performance of the student in the Internal Examinations gives an opportunity for the faculty to identify slow and advanced learners. Slow learners are encouraged to improve their learning strategies in the remedial coaching classes and counselling sessions. Moreover, assignments, class tests, class seminars and attempt of model question paper, learning from the question banks are regular pictures in the institution.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Laboratories:- All the laboratories of various departments are maintained by lab attenders and faculty members under the supervision of H.O.D's, of the concerned departments. Before the commencement of Academic year an internal lab audit was conducted to verify the articles as per the entries in the stock registers and their working condition by the respective departments. Stock verification is done every year by Annual verification committee. Every year a budget proposal for required lab articles will be sent to TTD Management through proper channel by the H.O.D. of concerned department. After the approval of budget proposal a committee of 5 members will be constituted with principal, one member from D.E.O.'s office, concerned H.O.D and H.O.D's of other two departments. Quotations are invited from different agencies and the order will be placed to the agency which quotes lowest price by this committee.

Library:- The librarian is responsible for overall maintenance of library. The librarian will purchase new books by inviting quotations from different agencies by placing orders to the least quoted agency as per the indent recommended by the H.O.D.'s with the approval of the principal. Issue of library cards, issue of books to staff and students etc. are the duties of Asst. Librarian. Library is very useful for students to acquire knowledge. It is useful for preparation of competitive exams. Every day nearly 150 students utilize the library to borrow books, to read journals and newspapers etc.. Staff members also visit the library everyday.

Sports complex:- Sport complex is maintained by H.O.D. of physical education Dept. Play ground is maintained cleanly with the help of sulabh workers. Attenders of the department maintain courts of indoor and outdoor games. A budget proposal for sports articles is sent to the management through proper channel every year. After the approval of budget, quotations from different agencies are called for and the order is placed to the agency which quotes lowest price.

Hostel:- S.V. Arts college hostel is maintained by warden, deputy warden, manager and other office workers. Well equipped kitchen is maintained by senior cook. Mess halls are maintained by Stewards under the supervision of Deputy Wardens. Student committees are formed for various activities. Office administration is maintained by Warden and the Manager. RO water is provided to the students.

Computers: Nearly 202 computers are there in various departments and these computers are supplied and maintained by E.D.P. department T.T.D.. Lab in-charges monitor the working condition of computers under the supervision of Heads of the departments.

Civil, Electrical, Water Works: The civil renovation works are supervised by the Aisst. executive engineer (Civil) from T.T.D. Engineering department. The electrical water works are also supervised by concerned AEE's/DEE's from TTD.

E-waste management system is maintained in the college. 6. Solid waste disposal from the hostel kitchen. 7. Our Institute Recongnized as Swachhata Action Plan Institution.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

BEST PRACTICE I GREEN PRACTICES

1. Title of the Practice: Green Practices

2. Objective of the Practices: • To reduce pollution and create a positive impact on environment. • To protect biodiversity for the well- being of nature which helps people to lead a healthy and serene life. • To protect environment and sustain its natural resources for present and future generation.

3. The Context: The Catastrophic problems of pollution unchecked lead to harmful effect on environment. It affects bio-diversity and well-being of nature. Our college is located at the center of the town, beside Balaji Colony, S.V. University Road, Tirupati. It is a busy area where you find heavy traffic. Hence, our staff and students are prone to get affected with the various gases emitted by the vehicles. Our campus is spread over an area of nearly 20 acres with requisite features to make it as a green campus.

4. The Practice: Keeping the above context in view, our college initiates environmental friendly practices such as usage of public transport, maintaining the college campus plastic free, reducing paper usage and more plantations in college campus.

a. Most of the students and staff use public transport for commuting. In addition, NO VEHICLE DAY is being observed on 3rd Saturday of every month.

b. Both students and staff are instructed to get reusable water bottles and reusable lunchboxes. Thus, restricting them from getting single use items and make sure that all waste goes to the garbage bins. The college conducts rallies and sensitization programs to bring awareness among public health hazards caused due to the usage of plastics.

c. As the world is digitalized, paperless methods are adapted by communicating circulars through e mail and what's app. This approach curtails the usage of paper.

d. Instead of using paper flowers and plastic flowers, we use natural flower bouquets. It's an eco- friendly act.

e. Our college NSS students, NCC cadets of Army, Navy and Air wing participated in different tree plantation programs in the college campus. They also participated in Clean and Green programs in our college and town.

f. The rich, cool, fresh, abundant and lavish greenery in our college campus is being maintained by the Department of Garden under the TTD Management.

5. Evidence of Success: Our vast green, pollution free college campus is itself an evidence of success.

6. Problems encountered and Resources required: Practically, there are great problems to follow the above green practices like usage of public transport, paper, and maintenance of plastic free college campus. To maintain green practices we need good water resource, bio fertilizers and organic fertilizers. We also require public transport for the conveyance of staff and students. Bottles are needed to transform our campus into a plastic free college campus.

Best practice: 2: Admission process

1. Title of the practice Admission process

2. Goal • Meet and exceed institutional goals in admission strategically (enrolment and retention). • To ensure access to higher education by all categories of students (equity and inclusiveness)

3. The content: - • The science combination of BSc Non maths does not get good enrolment due to the demand for professional course. The challenges to attract and retain the students in science combinations. • Due to the presence of many competitive

institutions in the neighborhood attracting quality students BA, B.COM, BSC., CDZ, MDC, BBC, MPE, MECS, is a challenge. The admission process must be started in time through online. Otherwise delay in admission process would cause the bright students to seek admission elsewhere. It is essential to ensure general equity and access to education by the marginalised sections of the society Following rules of the reservations as per the APSCHE. 4.The practice: The admission process starts by the notifying in Telugu newspapers given by the TTDs (Education Department) when Degree College website of TTD is opened, students can submit applications only Online, website address is <http://Admissions.Tirumala.org> The following information aspects are displayed for information to the general public and aspirant students. 1. Eligibility for admissions 2. Course offered 3. Download degree admissions PDF 4. Important dates 5. Counselling schedule 6. Local and non-local 7. Reservation and fee structure Special Aspects: Admissions are carried out by a group of Teachers with a senior faculty as the admission committee convenor and other member. for admission committees carried out admissions in our college for groups such as Commerce, Mathematics, Biology Combination and Arts. According to seat matrix, the first list off students selected for admission is announced on the date and time mentioned in website. Last dates are made known to the applicant. Depending on the availability of the seats further admission lists are announcing following rules of reservations. 5.Evidence of success: • The increasing trend of SC/ST/Category of students is an evidence of success. • Reduction of dropout rate in admission to the science and commerce course in another proof of evidence. 6.Problems encountered and resource required: There has been a completion generated among the staff of different science subjects to attract the students to their subjects. This sometimes creates unhealthy debates and unrest in the system. Due to large number of students with merit belonging to reserved categories take seats for general merit quota. This entails a reduced financial resource to the college by way of fee (Reserved categories of students have lower fee to be paid as per Government norms). To ease the admission process and hasten the process, computers with good printers and high-speed Internet are essential. A robust admission software is required to generate and custom made due to various constraints in generating the admission registers, daybook entries, Recipe generation etc. In addition to computer manpower is important to complete admissions.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Institutional Distinctiveness: S.V.Arts College,Tirupati was established in the year 1945. and affiliated to Sri Venkateswara University, Tirupati. The college aims to care for the educational needs of students from very down Froude and diverse socio-economic background. Main version of our college is empowering the students by escalating them towards Higher Education and employment. The college provides quality education through innovative practices in teaching and learning process. The college is committed to impart holistic training to our students, to develop right kind of attitude, knowledge skills to face the future challenges in the competitive world and in life. The total number of students enrolled in the year 2017-18 (both UG PG) is about 962 students. The NCC and NSS unit of the college is encouraging more students to participate in campus and republic day parade programmes to take up Committee Service. The college is endowed with highly efficient safety and security mechanism. The department of Telugu organized several awareness activities related to subject

like competitions and Astavadhan. All the science departments organized invited lectures, field trips, student's seminars and group discussions. All the language departments conducted elocution, essay writing and quiz programmes to the students on the eve of college day celebrations. The Department of Physical Education is one of the strongest department in the college since 1945, When the college was started under Madras University, Students of this Institution have brought laurels to the institution through their performance in Games and Sports activities. This obviously was possible because of the sparawling playground and facilities provided to the institutions by the management of Tirumala Tirupati Devasthanams. We are proude to announce that 25 numbers of our students are selected for inter University tournaments. We are proud to announcing that our college students 5 numbers are awarded SVU Sports Merit Scholarship of Rs.5000/- for the year 2017-18 for their excellence performance NCC students (horse riding) has participated in TTD building a guard of honour to the TTD Executive Officer for Independence Day and Republic Day celebrations every year. Few of NCC students participated in the university level and state level youth festival in cultural events. Few NCC Cadets Participated RD Parade on Republic celebrations at New Delhi. Few faculty received appreciation award for teachers on the eve of Independence day, Republic day Celebrations by TTD Management.
