24. EAMCET Help Line Centre	Available
25. Science Club	Available

This College was established in the year 1945 with a iiiodest strength of 80 students, the institution has grown leaps and bound under the able supervision of TTD management and presently offering under graduate courses in 21 disciplines and PG studies in 2 disciplines with an enrollment of about 2543 students. The institution has excellent hostel facilities and is hosting 1920 students in its four blocks of hostels. Most of the students of the institution are drawn from villages of Rayalaseema districts and belong to weaker sections. TTD Management has been magnanimous in providing free food for all the eligible students. The institution has excellent infrastructural facilities including well equipped laboratories for all Science Departments and a full fledged Computerised Laboratories for English and Commerce Departments apart from a very good Library with sufficient number of class rooms.

The institution boasts of a well-equipped Physical Education Department with excellent games facilities both for out door as well as indoor games. It also has a modern gymnasium.

NAAC ACCREDITATION.,

The institute has well qualified Teaching Faculty and also industrious Non-Teaching staff apart from excellent infra structural fecilities. Based on these credentials the college is assessed and accredited by UGC-NAAC with 'A' Grade in the year 2006.

COURSES OFFERED

The College is offering conventional UG Courses of B.A., B.Com, and B.Sc. In addition to this, self supporting restructured vocational courses such as Computer Science, Electronics, Dairy Science, Microbiology and Bio-technology are being offered keeping in view of the demand from student community.

PG Courses such as M.Sc. Organic Chemistry **and M. COITI** (F.M) (Financial Management) are introduced from the academic year 2008-2009 with an intake of 24 students in each subject. After completing PG Courses in our TTD institutions many students pursuing Ph.D Post Doctrol and research activities in well known universities of USA, UK, South Korea, other countries.

HOSTELS

the institute has four blocks of Hostels with a capacity of around 1920 students. However keeping in view of the large demand from student community who come from rural places and with an intention to provide free food for students coming from Below Poverty Line families, the college administration was forced to provide accommodation for about 1920 students which is much above the available capacity. The munificent TTD management is kind enough to provide additional hostel block in addition to expansion of hostel buildings.

LIBRARY

The College has an excellent book collection in its Library with over 1 lakh volumes of books. I hereby request the Devasthanams Educational Officer to take initiative in appointing Librarian and Assistant Librarian for good upkeep of the Library.

LABORATORIES

The institute is considered as the best among the colleges in Rayalaseema region on infrastructural facilities with well-equipped laboratories for each of the science subjects apart from English Language Laboratory and Commerce (Laboratory).

SECURITY:

The institution which is located in 36 acres of land with a huge college building and four blocks of hostels, sprawling play grounds and gymnasium, do not have adequate security system and very recently requested Executive Officer, TTD's, to provide adequate security for bringing in required discipline and safety in the institution and in all aspects. The Security and Physical Education Departments taking utmost care in solving the problems and giving right solutions to the physically handicapped and visually handicapped students for their overall developments.

CONTRACT LECTURERS:

At present the college has 50 lecturers working on contract mode and in order to get quality of education there is a need of regularizing the services of all those eligible teachers while making direct recruitment for the remaining vacancies. As requested by the Principal and HOD's, the Contract Lecturers were appointed on the First day of the Reopening of college, from the Academic year 2018-19. In this regard I thank TTD Management for their initiation to strengthen the college academically.

EXAMINATIONS

Conducting Semester System and Internal Exams in each semester for students. to make them confident of facing the final examinations.

RESULTS:

The results achieved by the college in the S.V.U. Degree Examinations held in April 2018 are as follows:

Course	Pass Percentage
B.A.	52.5 %
B . Com .	87.9 %
B. Sc.	74.2 %

ART OF LIVING(AOL) PROGRAMME

The **T.T.D. management** has started the **AOL Programme**, for the advantage and well-being of the students, to train them in different modules, in addition to the academic curriculum. This programme was conducted under the supervision of **Shri Pandit Ravi Shankar Ji, The Art of Living, Bangalore**. This course includes 6 modules for students training in 6 semesters (3 year degree course) starting from Yoga Classes, Communication Skills, Soft Skills, Computer Skills, Skills for competitive Interviews and make them exposure to corporate sector which includes Group Discussion, and in final semester specific skills development on automobiles, banks, tourism sector, corporate sector etc. The main objective of the programme is for the elimination of stress and foster deep and profound inner peace, happiness and well-being for all students, and also to make them to get the jobs after their course completion and to become self-sufficient to establish as entrepreneur.

HELP LINE CENTRE

The college is providing facility for help line centre of Andhra Pradesh Government for Certificate verification and counseling process pertaining to EAMCET, EDCET, ICET etc. The same centre is being used as student utility centre with internet facility. As the centre is fully equipped with exclusive leased line connectivity with 20

computer system s aura 1? PS systeiai. it is an excellent oplaortunity cxlentled to cir'icli the knowledge in various fields for both faculty and students of the college.

Research activites

Most of the departments in our college are recognised as research centers by the S V University as we have full fledged sufficient infrastrucutre in the college provided by the our benevolent TTD management. Research guides are Dr. N. Nagaraju in the Department of Botany and Dr. M.Venkateswara Rao in the Department of English, Dr. K. Siva Kumar and Dr. P.V. Chalapathy in the Department of Chemistry, Dr. N. Venugopal Reddy, Dr. A.V.Chandra Sekhar, Dr. Y. Dasaradhudu in the Department of Physics.

EXTRA CURRICULAR ACTIVITIES

SKILL DEVELOPMENT CENTRE

“Andhra Pradesh State Skill Development” centre started in the college from the academic year 2016-17 to provide employability skills to students by the Govt of A.P. Dr. A.Sarangapani, Senior Lecturer in Chemistry, is acting as placement officer to see all the employment and interviews conducting by the skill development.

SCIENCE CLUB

Science Club has been started in the college from the academic year 2016-17 to get awareness on science among the students and to promote budding scientist from this institution. Through this club special Lectures from eminent speakers from different fields of science and technology and also to arrange work shops, exhibitions, field trips to the students. This club is maintained by the committee with Dr.N. Nagaraju, HOD of Botany as President, Dr.A.V Chandrasekar, Senior lecturer in Physics as secretary. Principal as a honorary chairman for the club. All HODs of science faculty are the members.

Activities:

- Celebrated Einstein's Birth day on 14, March 2018, for his contribution to the scientific society
- Educational trips were conducted by the Departments of Botany, Chemistry and Dairy Science for the students to help them in acquiring more practical knowledge.

GAMES AND SPORTS

The Department of Physical Education is one of the reputed departments in the college since 1945, when the college was started under Madras University, students of this institution have brought laurels to the institution through their performance in games and sports activities. This obviously was possible because of the sprawling playgrounds and facilities provided to the institution by the management of Tirumala Tirupati Devasthanams.

During the all phases of S. V. University Inter Collegiate Tournaments, our college students participated in all the games and our college students secured winners in Hockey, Badminton, Judo, Tug of war and Taekwondo. Runners in Kabadi, Boxing, Hand Ball, Table Tennis and further our college athletes have participated in all athletic events.

In the S.V. University Inter Collegiate Men Cricket tournament organised by S.V. Arts College, Tirupati from 15-12-2018 to 19-12-2018. Further, our college athletes have participated in all athletic events and achieved the Institutional Championship for our college with 74 points. In the above performance, our college students received a cash prize of Rs.25,000 /- from S.V. University, Tirupati.

26 No's of our students have been selected for Inter University Tournaments and 6 students have got Merit Scholarship for the academic year 2018-19.

MUSEUM

Two well established museums are present in the college for Dept of Botany and Zoology with the support of our benevolent TTD management. Rare and endangered plant and animal species are preserved in the museums. Rare fossils of some plant species are also available in the Botany Museums. I request the TTD management to appoint Museum keepers to maintained the above museums.

ADDITIONAL ACADEMIC ACTIVITIES

- Some of the Staff members of this college are engaged as Course Writers, BOS Chairperson and members, Paper valuation work, paper settings for different Universities & Service Commissions.

FUTURE PLANS FOR THE COLLEGE

- With the support of our Benevolent TTD Management, we are trying to improve the Communication Skills, Soft Skills, and Technical Skills of the students.
- Conduct more Number of Field Trips on Pratical Oriented Programmes among the Students.
- « With the help of TTD Management Art of living, Yoga and Communication for I year Students started from the academic year 2017-2018. In due course other Skill Development Programmes to be conducted upto the completion of their Degree Courses.
- As the College is moving to 75 years, Principal & Staff are planning to achieve this premiere institute of TTD as a centre of academic excellence with the Cooperation of the Management.

Lastly, I pray the management to provide one Auditorium, 12 additional class rooms with enough desks and a separate block with Hostel for PG Students. We are also requesting for Scooters and Car parking facility for Students and staff. Moreover, we request for extension of the Library building for more occupation of students and to provide more number of security personnel to safe **guard** the College and Hostel premises.

I wish all my students a grand success for the ensuing University Examinations.

May **Lord** of Seven Hills bless us all.

Thank you one and all
