The institution has an excellent hostel and hosts 2000 students in its three blocks. Most of the students of the institution are hailed from villages of Rayalaseema districts and belong to financially weaker sections. TTD Management is magnanimous to provide free food for all the eligible students in the hostel. The institution has an excellent infrastructure which includes well equipped laboratories, a full-fledged English Language Laboratory as well as Commerce and Computers laboratory apart from a very good Library with sufficient number of class rooms. The institution boasts of a well-equipped Physical Education Department with excellent facilities both for indoor and outdoor games. It also has a modern gymnasium.

NAAC ACCREDITATION
